

From Sinners to Saints

Romans 6:1-14

Sanctification - refers to the process of being set apart for God's special purpose, becoming holy, and being made more like Christ. It's a transformative journey where believers, through the Holy Spirit's work, progressively grow in grace and righteousness, moving away from sin and closer to God's character.

There are three stages of sanctification:

Positional - We are declared saints when we put our faith and trust in Jesus Christ as our Savior and Lord.

Progressional - We begin the process of becoming saintly.

Glorification - Is *God's final removal of sin from the life of the saints* (everyone who is saved) in the eternal state.

How do we begin the transformation from a Sinner to a Saint?"

1. Stop Sinning. Romans 6:1-2

Antinomianism or Licentiousness

2. Understand our two Baptisms in Christ Jesus. Romans 6:3-11

Spiritual Baptism

Water Baptism

3. Understand the battle against our flesh. Romans 6:12-14

Do not let sin have dominion over you.
